Good Afternoon Alan,

I am reviewing E033-065-25-00128, and this encroachment falls within the limits of a NCTA STIP according to ArcGIS. However, I am unfamiliar with this project or any Turnpike Authority projects in New Hanover County. The last schedule update states: U-4738 Deleted from STIP on November 29, 2021. Has this project been canceled and am I able to work towards approval of this encroachment? Please advise any concerns.

The applicant is installing a license plate reader on a breakaway pole at coordinates: 34.169945,-77.922151.
